## ABOUT ME

As a FOSS enthusiast and React.js developer, I excel in crafting and testing web applications. With strong problem-solving abilities, I'm adept at troubleshooting and devising innovative solutions. Currently seeking new challenges in a dynamic work environment.

## EDUCATION

Diploma in Computer Engineering  
Maharaja's Technological Institute  
2021 - 2023

## EXPERTISE

- ReactJS
- TailwindCSS
- GNU/Linux
- Appwrite

## WORK EXPERIENCE

- June 2023 - Present  
Udyata Information Systems Pvt. Ltd, Thrissur  
Frontend Developer (ReactJS)  
At Udyata, I specialized in React.js development, creating and enhancing components for web applications. Collaborating with my team, I ensured timely delivery of high-quality code, gaining valuable experience in building dynamic user interfaces.
- 2022  
GrapesGenix Technical Solutions Pvt. Ltd, Thrissur  
Intern  
At GrapesGenix Technical Solutions Pvt. Ltd., I engaged in an immersive internship where I learned from experienced professionals, dedicating 9 hours a day to honing my skills. This experience provided valuable insights into optimizing workflows as a web developer and introduced me to key technologies like Bootstrap and Django.
